AFFAIRS OF INTEREST HERE AT HOME.

Mrs. Lucius S. Welch, who has been visiting Alamogordo during the past month, returned to El Paso Saturday.

Deputy Assessor Good has completed the tax rolls for the year 1900, and same have been approved by the board of county commissioners.

The school census for school district No. 1 was taken before September 1st, and the same shows that there are 320 children of school age in the district.

The boards of registration for the different precincts have been appointed by the board of county commissioners, a list of which, giving the names, will be found in the proceedings of the county commissioners on page 2.

September 5th and 6th and 16th and 17th are the dates of sale of \$15 tickets from all points in Texas to Clondcroft and return. All indications are very favorable to a great many taking advantage of the first excursions.

A new justice precinct has been formed in that portion of Otero county including Clondcroft, and which will be also an election precinct, and will be known as precinct No. 10. An election for justice of the peace and constable for the precinct will be held September 10, at the post office at Clondcroft.

An exchange with becoming modesty remarks that "a pair of suspenders is as proper as a pair of garters, but both articles of costume should be worn out of sight." This fully disposes of a grave question, although there was never much fear in this section that garters would be generally exposed by their wearers to the view of the curious public.

The "laying on of hands" is said to be a sure cure of the cigarette habit if attended to at the proper time. The left hand should be placed upon the youngsters neck with a gentle but firm pressure forward and downward, bringing the urethra in a proper position over the parental knee, apply the right hand where it will do the most good. Two or three treatments will generally effect a cure, says a writer in a Western journal.

A new post office rule has gone into effect imposing a fine of \$300 or one year's imprisonment on any one who, through carelessness or otherwise, takes mail not belonging to him from the office.

and fails to return same at once. This applies to newspapers as well as letters and other valuable mail. People when taking their mail from the office should examine it before going out of the building; it will take but a minute and will save a deal of trouble; to say it was the postmaster's fault will cut no figure under this railing.

The election by the qualified voters of school district No. 1, to vote on the question of a proposed tax levy of five mills on the dollar on the taxable property in said district, which was held Friday, August 24, resulted in the carrying of the question by a vote of 57 to 13. The election has been approved by the board of county commissioners and the levy has been authorized. This will bring in a revenue of about \$1,000, which will be used to defray the expenses of said school district for the year ending July 1, 1901.

Mr. J. Joseph Brick, the popular leader and Breau Brummel of Alamogordo's "400," has at last expressed his opinion on the "shirt waist" question. He states that, so far he has seen nothing in that line but what is very crude, and, although he thinks the shirt waist a good thing, he will take no lead in the matter until he has secured something more aesthetically than has come to his notice as yet. It is rumored that Joe is spending his nights designing a pattern that will set the town on fire, this accounting for his late arrival at the office.

CORRESPONDENCE.

FROM WEED.

WEED, N. M., Aug. 29, 1900.
Deputy Sheriff J. J. Gregg arrested a fugitive from justice yesterday who attacked the deputy with a loaded quirt and made his escape. The officer says he sent six 44's after him but as he did not stop he has gone after him himself.

Weed will vote on issuing \$1,500 in bonds for the building of a new school house, on the 13th of September. Look to your laurels, Miss Alamogordo, as we are now strictly after you.

FROM CLOUDCROFT.

CLOUDCROFT, N. M., Sept. 2nd, 1900.
The baseball game played on the Clondcroft grounds last Sunday between the Alamogordo and Clondcroft Boys was decidedly interesting from the start, but rain prevented the game from being finished as it had to be called by the umpire in the first half of the fourth inning, the score being Clondcroft 6, Alamogordo 1.

The Clondcroft Boys showed their metal as hard hitters, Ben Bryan being pitcher for Alamogordo, but Bennie's strong arm failed him. There was only three hits made by the Alamogordo team as they had Frank Harter to run up against as pitcher for Clondcroft.

Before the game was called the betting was two to one in favor of Alamogordo, but at the end of the second inning it was reversed.

Umpire Chas. Roberts.
